ATTITUDES TOWARD AGING AND THE AGED

Attitudes toward the elderly: An intergenerational examination 389
Changing children's perceptions of the elderly 483
How older persons are portrayed in television advertising: Implications for educators 111

ATTITUDES OF THE ELDERLY

Age-related patient preferences for physician communication styles 147
Perceptions of activity and participation in the college student role by older people 463

CAREERS IN AGING

Gerontology career preparation at the associate degree level for the community-based practitioner 37

EDUCATION ABOUT AGING

Educational programming for midlife adults with parent-caring responsibilities 377
Gerontologic/geriatric training in medical school: Preferences of students, educators, and practitioners of medicine in regard to curricular content 293
Intergenerational service-learning: Contributions to curricula 405
Using retired professionals to videotape career perspectives for educating university students 187

EDUCATIONAL NEEDS AND INTERESTS

The acquisition of specialized information by older adults through utilization of new telecommunications technology 217
Assessing the educational needs of undereducated older adults: A case for the service provider 205
Literacy and elders: What we know and what we need to know 417

Vocational education needs assessment of older Americans: Methodology and some findings 359

EDUCATIONAL PARTICIPATION

Older adults' participation in university classes: Cognitive, morale, and family correlates 501
On the trail of the late bloomer 171

HIGHER EDUCATION AND GERONTOLOGY

Academic performance, attitudes, and social relations in intergenerational college classes 471
A comparison of elderly college students in two geographically different areas 399
Higher education and older people: Some theoretical considerations, part I 1
Higher education and older people: Some theoretical considerations, part II 95

INSTRUCTIONAL APPROACHES

Microcomputers and the elderly: New directions for self-sufficiency and life-long learning 493

LEARNING RESEARCH

Adult age differences in speed and accuracy of matching verbal and pictorial signs 73
An analysis and evaluation of research in cognition and learning among older adults 323
Spontaneous use of mnemonics by elderly individuals 57

NURSING CARE

The role of education and health care delivery structure in quality of nursing care for mentally ill patients in nursing homes 426

POLICY

Educational tuition-waiver policies: A secondary analysis of institutional impact in Virginia 279

PRERETIREMENT AND PREPARATION FOR RETIREMENT

A classification of preretirement programs: In search of a new model 123
Preretirement education: A proposed bill for tuition tax credit 31

Self-efficacy assessment and peer group assistance in a preretirement intervention 159

RESEARCH AND TRAINING

A strategy for gerontological research and training in rural settings 181
Cognitive development and career retraining in older adults 443

SOCIAL WORK

Gerontological social work: A curriculum review 307

TESTING THE ELDERLY

Age-fair assessment of psychometric intelligence 47
The improvement of verbal fluency in the elderly: The effects of practice on the set test and an alternate form 139
Vision changes, intelligence, and aging: Part 1 255
Vision changes, intelligence, and aging: Part 2 435

WOMEN

Family and school life of women over age fifty who are in college 339
Older women, the student role and mental health 233
Satisfaction and role strain among middle-age and older reentry women students 15
